Design at it's Best

The home has it all! A very spacious 374m², it is an entertainer's delight. A grand entrance leading on the open plan kitchen, family and meals area, which then flows out to the spacious undercover outdoor area. Five generously sized bedrooms, with robes, and the master separate from the other bedrooms, with a walk in robe and a generously sized ensuite. An additional separate study and formal dining and lounge/media rooms give the home versatility and a great feeling of space. And don't forget all that extra storage, additional cupboard space throughout and also the convenience of a powder room off the living area. Be sure to see all our inclusions, as the Byfleet Manor 374 has everything you could possibly want with its modern design and quality fixtures.
