Great Street Appeal

Make an impact with this grand entry with the elevated porch giving the home a wonderful feeling of grandeur. Of course the home has all the essentials, four bedrooms, a parents retreat that has it's own entrance and a rumpus/media room, but what about the rest? Take a look at the massive entertainment area that flows from the living/kitchen space. Even a full sized designated study. There has been no sacrificing on storage space or the size of the laundry as well. This is a home to love, not just live in.
