Simply Elegant

A home that surrounds the kitchen, is a home that focuses on family! This home has everything and more you could want. A generous media room, spacious bedrooms, an office and open plan living that flows on to the alfresco area. The master is it's own separate space with a massive open walk in robe and a perfectly sized ensuite. Let's not forget the huge walk in pantry in the kitchen too. There is nothing more to add later, this is a fantastic design that would suit most blocks of land.
