## Spacious and Open

A take on the Richmond 207, we have made the multi purpose room into a generously sized bedroom, whilst leaving the master as an adults retreat with a spacious ensuite and walk in robe. Patio doors open up onto your alfresco area so you get to bring the outside in. Open plan living, clean lines and modern design. A generously sized island bench and breakfast bar, spacious dining and flow through lounge. The main bathroom has a bath and separate shower, and internal entry to the garage making life just that little more convenient. A great design that suits most needs.
