NO NEED TO SACRIFICE ON A BUDGET

The Ripley 185 is a smaller version of the Ripley 230. The floor plan is 185.1m² and offers all the same options as its big sister, but some space has been taken from the living area at the rear of the home, and a much larger patio added, leading off the kitchen/dining areas. Catering for the family that loves to entertain, this home offers all the extras without the big pricetag.
