## Open Plan Luxury

Our beautiful Windsor 288 is a crowd favourite although often has a frontage that is too wide for most domestic house blocks, so we have done some redesigning to make sure that you get everything you would possibly want, and can place on most residential land allotments. We have also added some extras with a study nook and a freestanding bath in the master bedrooms ensuite. A glamorous hollywood robe and space for a seating area in the main bedroom ensure the master suite is a parents oasis. This design is definitely a crowd pleaser.
