A Statement Piece

A home that will stand out in any street! Functional in design and layout, this home is well thought out and ensures everyone has a space to be. Three generous living zones and two outdoor areas, definitely caters for a family lifestyle. The generous master suite separated from the main area and the other bedrooms and even a powder room near the main areas. Oodles of storage and a massive pantry off the beautiful central kitchen. It is definitely a show stopper. Talk to us about different facades if the modern look is not your thing- it is very versatile.
